

The Flagship of the Ribcraft range is the new Ribcraft 12.0; she evolved alongside her sister craft the Ribcraft 10.5. The Ribcraft 12.0 is a true offshore boat and has a classic high sheer bow, convex warped deep vee hull with a generous 3.5 metre beam. She gives a superb performance; her responsive handling and surefootedness make her a pleasure to helm in any sea state. The development for these new larger Ribcraft models is a continuation from the well established and highly successful Ribcraft 9.0 metre series. The Ribcraft 12.0 is another leap forward in size and possibilities; the added internal space enables her to have more variation for internal layouts and power plants which include twin diesel jet drives.

## THE INTERIOR

Ribcraft 12.0 has a large internal deck area, which can accommodate many people, equipment and configurations. Contact Ribcraft for detailed options and further information.

## POWER OPTIONS

As complete boat builders, Ribcraft can tailor your boat to exacting requirements; these includes selecting your power units. Our most common setups are

- Twin or triple outboard motors
- Single or twin diesel inboard jet drive
- Twin diesel inboard stern drives
