

Ribcraft 12.50 Sea Safari Layout, Inboard Stern Drives, Custom Console with Toilet

Ribcraft have been manufacturing Sightseeing 'Safari' boats since the 1990's. This model was commissioned for Sea Safari tours around Dingle Bay in Ireland. The boat has a large helm console with integrated toilet and is powered by Twin Yanmar Inboard diesels. The customer chose Jockey seats for his application and passenger comfort, Bench style seating along with shock mitigating seats are an option as well.

This model is constructed using a composite (Non Wood) construction and meets classification society regulations (DNV-GL 0342) and has design plan approval.

Ribcraft have an advantage as complete boat builders, we manufacture everything; from the moulding of the hull, manufacturing the Inflation tubes to the power Installation, fit out and final sea trials, ensuring quality control from start to finish on any given project
